Work Experience

Childminder

nurture-nannies Child Minding Service
September 2019 to Present

Owner.

Children's Centre Nursery Officer.

St. Cuthbert's Children's Centre. - Blackpool
April 2005 to August 2019

To provide a high standard of physical, emotional, social and educational care for young children placed in the Nursery. To offer support to other practitioners within the setting, and implement the daily routine. Plan and implement activities using EYFS and Characteristics of Effective Learning, while supporting parents and carers as they nurture their children's development as first educators.

Family Engagement Worker. (Secondment)

St. Cuthbert's Children's Centre. - Blackpool
April 2015 to April 2017

To ensure Children's Centre 'reach' target is met, working collaboratively with Centre and linked school staff, other Children's Centre's and professionals to contribute to reach targets across localities.

Encouraging and empowering families to access Children's Centre services.

To support families with children under 5 where additional care needs have been identified and offer evidence based interventions in their homes and appropriate settings. Often initiating the EAT process to support.

Evaluate group activities to outline learning goals using EYFS and Characteristics of Effective Learning.
